

### ECZEMA ON LITTLE GIRL

Sleepless Nights for Mother and Awful Suffering of Child.

### CURED BY CUTICURA

Had Given up All Hope of Ever Making Any Cure.

Mrs. I. B. Jones, Addington, Ind. T., writes: "My little girl had been suffering for two years from eczema, and during that time I could not get a night's sleep, as her ailment was very severe. I had tried so many remedies and spent so much money, deriving no benefit, I had given up all hope of making any cure. As a last resort I was persuaded to try Cuticura, and to my great delight a marked change was manifested from the first application. I gave the child a bath with Cuticura Soap, using a soft piece of muslin cloth. This I did twice a day, each time following with Cuticura Ointment, and at the same time gave the Resolvent, according to directions. One box of Ointment and two bottles of the Resolvent, together with the Soap, effected a permanent cure. I submit this for publication, hoping it will assist other sufferers in curing themselves."

### COMPLETE TREATMENT

Consisting of Cuticura Soap Ointment and Pills.

The first step in the treatment of chronic Eczema is to remove the scales and crusts and soften the skin, by warm baths with Cuticura Soap. Dry carefully and apply Cuticura Ointment, lightly at first, and where advisable spread it on pieces of soft cloth and bind in place. Take the Resolvent Pills, or liquid, in medium doses. Do not use cold water in bathing, and avoid cold, raw winds.

Sold throughout the world. Cuticura Resolvent, 50c. (in form of Chocolate Coated Pills, 25c. per vial of 50). Ointment, 25c. Soap, 25c. Potter Drug & Chem. Corp., Boston, Sole Proprietors. Send for "How to Cure Eczema."

## FAMOUS ECONOMY FRUIT JARS

One of which, together with a Booklet of Recipes, will be given with each 25-cent or higher want ad. inserted in either The Daily or The Sunday Astorian.

What Mr. Fred Dresser has to say about the ECONOMY JAR: Kerr Glass Manufacturing Company, Portland, Oregon. Gentlemen: Referring to the ECONOMY FRUIT JAR, we are pleased to say that we have been selling them for three years. The first year we ordered three gross, the second year ten gross, and this year our order calls for twenty-five gross. We believe that within a few years they will be the only jar in use; first, because the quality of the jar far exceeds all others; second, the jar is sanitary, having a wide mouth, therefore easily cleaned. The cover is as sanitary as the glass itself, while the cover on many other jars are made of zinc, which produces poison when in contact with fruit and vegetables. The absolute certainty of every ECONOMY JAR sealing makes it the ideal jar for canning purposes. We bespeak a great future for the ECONOMY JAR. We are very truly yours, F. DRESSER & CO. By F. Dresser, Pres.
